All the benefits of jojoba in a refreshing aqua gel

Wadi wadi Jojoba jojoba leaf extract and glycerin

- ✓ lightweight, all-over hydration
- ✓ Softens and smooths the skin
- ✓ All the benefits of jojoba in a refreshing water gel
- ✓ Helps prevent moisture loss and improves skin condition
- ✓ Strengthens skin barrier function
- ✓ Delivers a dry-touch, non-tacky finish

Hydrate. Smooth. Refresh.

Australian Jojoba Aqua Gel

February 1, 2026

Description

Formulated with three types of jojoba, our exclusive Wadi-Wadi Jojoba, hydrolysed jojoba esters, and soothing jojoba leaf extract, this refreshing gel delivers deep, natural moisture to both face and body.

Enhanced with humectant-rich glycerin and antioxidant olive extract, the fast-absorbing formula helps lock in hydration for up to 8 hours, creating a soft, supple, and visibly smoother skin texture.

Perfect for summer or anytime skin craves weightless hydration, it leaves a dry-touch, non-tacky finish while helping to strengthen the skin's protective barrier and prevent moisture loss.

Hydrate. Smooth. Refresh.

Australian Jojoba Aqua Gel
