SMARTER NATURAL SKINCARE

Jojoba Boost – Skin Renewal

With 2% Granactive Retinoid, Blue Yarrow & Blue Lotus

30ml 1.0 fl.oz

The ultimate reset with Jojoba Boost skin Renewal. A powerful, yet gentle booster designed to smooth, refine and visibly renew the complexion.

Key Benefits

- Dramatic visible reduction in fine lines and wrinkles
- Non-irritating compared to retinol
- Improved skin clarity and smoothness
- Brighter, more youthful appearance for a healthier complexion

Application

Add 2-3 drops to your oil or serum to boost your current skincare regime or use it alone before your moisturizer as part of your nighttime ritual. Do not use with other retinoids. Always apply SPF during the day.

PROVEN RESULTS

60 % reduction in fine lines and wrinkles*

50% improvement in skin texture**

Ingredients

Simmondsia Chinensis (**Jojoba**) Seed Oil, Hydroxypinacolone Retinoate, Dimethyl Isosorbide, Tanacetum Annuum (**Blue Tansy**) Flower Oil, Achillea Millefolium (**Yarrow Chamazulene Blue**) Oil, Nymphaea Coerulea (**Blue Lotus**) Flower Extract

Natural ingredients can sometimes vary in colour and scent overtime. Test prior to use and in the unlikely event of a reaction, please consult a medical practitioner.

Key Ingredients

Wadi Wadi Jojoba

- Powerful antioxidant
- A wax ester that is the closest botanical match to our own skin oil,
- Rich in vitamins A,D and E and omega fatty acids 6 and 9

Blue Yarrow

- Promotion of collagen production, maintenance of skin elasticity, reduction of fine lines and wrinkles
- Enhances the skin's ability to repair and renew itself overnight

Blue Tansy

- Skin loving and phyto nutrient dense
- Related to the chamomile plant and it carries many of the same benefits including:
 - calming and reducing inflamed skin
 - soothe redness and irritation
 - nourish and regenerate skin cells
 - calms sensitive skin

2 % Granactive Retinoid

- A next-generation form of vitamin A that delivers the results of traditional retinol without the irritation.
- It speeds up cell turnover to reduce fine lines, improve texture and even out skin tone — all while being gentle on sensitive skin

Blue Lotus

- A powerful antioxidant and natural hydrator,
- Helps protect the skin barrier, reduce signs of fatigue,
- Promotes a smoother, more radiant complexion.

THE JOJOBA COMPANY

SMARTER NATURAL SKINCARE

Jojoba Boost – Super Antioxidant Repair

With Rosehip Oil 37%, Astaxanthin, Australian Jojoba

30ml 1.0 fl.oz

PROVEN RESULTS

Up to 8 hours of moisturisation*

Ingredients

Simmondsia Chinensis (**Jojoba**) Seed Oil, Rosa Canina (**Rosehip**) Fruit Oil, Astaxanthin, Rosmarinus Officinalis (**Rosemary**) Leaf Oil

A restorative blend of Rosehip, Jojoba, and Astaxanthin – one of the most powerful antioxidants – to protect against environmental stress, visibly reduce scars and stretch marks, and support skin repair for a smoother, firmer-looking complexion.

Key Benefits

- Visibly reduces fine lines and wrinkles
- Increases skin elasticity
- Protects and calms the skin
- Restores skin exposed to stress, scarring, stretch marks or damage
- Supports a healthy complexion

Application

Add 2-3 drops to your oil or serum to boost your current skincare regime or use it alone before your moisturiser

Key Benefits

Wadi Wadi Jojoba

- Powerful antioxidant
- A wax ester that is the closest botanical match to our own skin oil,
- Rich in vitamins A,D and E and omega fatty acids 6 and 9

Astaxanthin

- One of the world's most potent antioxidants (up to 6,000x stronger than Vitamin C)
- Astaxanthin helps protect skin cells from oxidative stress
- Supports skin repair, and visibly improves elasticity and tone.

Rosehip Oil

- Rich in vitamins A, D and E and Omega fatty acid 3
- Helps fade the appearance of scars and stretch marks and smooth skin texture
- Promote collagen production for stronger, more even-looking skin.

THE JOJOBA COMPANY

SMARTER NATURAL SKINCARE

Jojoba Boost – Skin Barrier Support

With Ceramide 2%, HA & Vitamin F, Australian Jojoba

30ml 1.0 fl.oz

This deeply nourishing booster is powered by 2% Ceramides, Hyaluronic Acid, and Vitamin F to strengthen the skin's barrier, lock in moisture and soothe sensitivity. Perfect for dry, depleted, or irritated skin in need of lasting hydration & resilience

Key Benefits

- Strengthens skin
- Soothes & deeply hydrates dry or compromised skin
- Reduces water-loss from skin
- Creates a protective film barrier

Application

Shake well before use.

Add 2 -3 drops to your oil or serum to boost your current skincare regime or use it alone before your moisturiser

PROVEN RESULTS

Up to 8 hours of moisturisation*

Ingredients

Simmondsia Chinensis (**Jojoba**) Seed Oil, Oleic Acid, Linoleic Acid, Stearic Acid, Palmitic Acid, Linolenic Acid, Ceramide 3, Caprylic/Capric Triglyceride, Sodium Hyaluronate, Hydroxypropyl Bispalmitamide Mea, Polyglyceryl-10 Stearate, Distearidimonium Hectorite, Stearic Acid, Phytosterols, Glycerol Dioleate, Triolein, C10-1 triglycerides, Tocopherol

Key Ingredients

Wadi Wadi Jojoba

- Powerful antioxidant
- A wax ester that is the closest botanical match to our own skin oil,
- Rich in vitamins A,D and E and omega fatty acids 6 and 9

2% Ceramides

- Essential building blocks of a healthy skin barrier
- Ceramides help strengthen the skin, reduce moisture loss and protect against environmental stressors.

Hyaluronic Acid (oil soluble)

- A hydration powerhouse that draws water into the skin, plumping and smoothing the surface while improving elasticity.
- The oil dispersed hyaluronic acid has good skin affinity.
- The small hyaluronic acid molecules are absorbed into the skin and cause an immediate moisture enrichment.

Vitamin F (Essential Fatty Acids)

- A rich blend of omega fatty acids that replenish lipids, soothe dry, flaky skin
- It reinforces barrier function for long-term skin comfort.
