Best suited for gifting newborns and their mums

Looking for a new baby gift that isn't flowers or balloons? Treat new parents to a thoughtful, useful and sustainable gift for their sweet new babe with the ergoPouch Newborn Gift Packs.

There are three packs – two just for baby and one for mama too. All are beautifully presented in a kraft gift box with protective sleeve and decorative band.

Made from soft, breathable, organic cotton and bamboo, our products are certified non-toxic, dyed with water based dyes, and gentle on skin.

Our 1.0 TOG Cocoon Swaddle Bags are lined with soft cotton and bamboo fleece to help keep baby snug and warm. With press studs on the arms, you can choose whether to sleep baby swaddled or with their arms out. Our Long Sleeve Layers are the ultimate wardrobe staple for newborns, perfect for day or night wear. All our baby products are approved by

the International Hip Dysplasia Institute as being hip-healthy, meet all safety standards in Australia and New Zealand, and are reviewed by the Eczema Association of Australasia as a skin-friendly product.

The Matchy Matchy Robe for mama is a gorgeous and luxuriously soft bamboo viscose robe in 220gsm weight in the same print as the Cocoon. With adjustable ties and big pockets, the robe is ideal for lounging at home, wearing for overnight feeds, or packing into her hospital bag. Trust us when we say she won't want to take this off. We know it's not always possible to sleep when the baby sleeps but hey, a mama can try. Included in the Mama and Mini pack is an organic cotton eye mask to help block out the light and catch some elusive zzz's when she can.

These gift pack includes gender-neutral products that will help tired parents navigate the early days of sleep, the simple way.
