Blobby Bedtime Lamp

Helps little ones wind down for sleep

-  Soft-touch silicone lamp
-  Touch-operated
-  3 warm light brightness levels
-  6 vibrant rainbow colours
-  Rechargeable Battery with up to 20 hours battery life*
-  USB-C Charger included
- 2** Suitable for ages 2+ yrs

Transform bedtime battles into bedtime adventures with the Blobby Bedtime Lamp. Designed with little dreamers in mind, Blobby helps to wind down for sleep by easing any nighttime worries, encouraging independence, and adding a sprinkle of colourful magic to bedtime.

The newest addition to our Birthday Blobs collection, your child can now illuminate their bedtime routine with 6 fun colours to match their mood.

When it's time for the bedtime story, affirmation cards or cuddle, turn Blobby on by tapping its

soft silicone head or squeezing its belly as part of your nightly ritual. You can toggle between 'warm light' and 'rainbow' settings at the base. Blobby is designed to help make this stage of bedtime more inviting, providing a soft calming light as your child decompresses and prepares for sleep.

Children feel empowered to take charge of their bedtime routine, fostering a sense of confidence, creativity and independence. Bedtime becomes a joyful experience that your child looks forward to each night, making the wind-down to sleep smoother, and more enjoyable for everyone.

*Battery life will vary depending on what colour is being used.
