

Transformative Eye Serum

With Inst'Tight™ & Firming iPeptide™

Key benefits:

- Instantly smooths frown lines & crow's feet
- Proven to open the eye & lift the lid by 43%

Benefits:

Using potent anti-ageing peptides and active natural ingredients, wrinkles and fine lines are instantly reduced, eyes appear more open and wrinkle volume is decreased.

The eye and frown area will appear transformed.

Application:

Using the cooling massage tip, apply around the eye and frown area before moisturiser. Use ring finger to gently tap in any excess.

Packaging:

15ml 0.5fl.oz
