ABOUT THE PRODUCT

Ultimate Plumping Lip Treatment

Plump | Smooth | Define

This triple-action lip volume technology is a clinical lip oil designed to visibly plump, smooth and hydrate lips without irritation.

Formulated with advanced bio-active technology and Australian Jojoba, this treatment oil helps enhance lip volume, improve lip contour and visibly smooth vertical lip lines. Volulip™ and peptides support fuller-looking lips and improved definition, while AKOSKY™ KISS helps increase lip volume over time. ALGAKTIV® Rubinity, a powerful microalgae extract rich in activated astaxanthin, delivers instant hydration, plumping and antioxidant protection.
